

**Hello, everyone!**

**My name is An Kamidozono, and I live in Miyakojima, Okinawa prefecture.**

**I would like to talk about how to help international people in English.**

**In class, I will introduce Miyakojima by showing short videos,  
so you can study English as well as enjoying Virtual Miyakojima Tours!!**

**Some of our study topics are:**

**food and food shopping**

**daily life - apartment, neighborhood, trash, transport, city facilities, etc.**

**sightseeing and local culture**

**sporting event volunteering**

**interpreting and translating**

**city hall, hospitals, driving, etc.**

**You will have a chance to speak English and ask questions in this course.**

**Please understand that there is some homework between Day 1 and Day 2.**

**See you in Class!**
